

NOTIFICATION
Regarding the submission of the Engineering Internship Report
Semester 2, Academic Year 2025 – 2026

Pursuant to the training plan for the academic year 2025 – 2026.

Pursuant to the implementation plan for the Engineering Internship module in Semester 2, Academic Year 2025 – 2026.

The Faculty of Electrical and Electronics Engineering hereby announces the submission schedule for the Engineering Internship Report for Semester 2, Academic Year 2025 – 2026 as follows:

I. Time

- From April 6, 2026, to April 8, 2026 (during office hours).

II. Location

- Office of the Faculty of Electrical and Electronics Engineering (31 Che Lan Vien, Tay Thanh, Ho Chi Minh City).

III. Requirements

- Students must submit **one (01) copy** of the report with a blue softcover (report format must follow the Faculty's regulations).
- The report must include full **evaluative signatures** from the Company Supervisor (with the company's official stamp) and comments from the Supervising Lecturer.

Note: The defense schedule for the Engineering Internship will be announced specifically after students have submitted their reports to the Faculty.

Faculty of Electrical and Electronics Engineering

(Signed)
