

FINAL ROUND OF THE "STUDENT SCIENTIFIC RESEARCH COMPETITION" OF THE FACULTY OF ELECTRICAL AND ELECTRONIC ENGINEERING 2023-2024

On the afternoon of 04/05/2024, the Faculty of Electrical and Electronic Technology, Ho Chi Minh City University of Industry and Trade, held the final round of the "Student Scientific Research" competition for the 2023-2024 academic year in third floor of the library. The competition took place in a solemn and lively atmosphere.

The "Student Scientific Research Competition" is a meaningful academic activity aimed at fostering a proactive learning spirit, promoting creative thinking, cultivating scientific research capabilities, and enhancing the ability to apply knowledge to solve practical problems for students of the Faculty of Electrical and Electronic Engineering.

The competition organizers selected 19 teams for the final round.

At the end of the final round, the judging panel selected 18 teams with the best performance to receive awards, including: 1 first prize, 1 second prizes, 1 third prizes, and 10 consolation prizes.
